

Parent Attestation

Parents must sign written attestations daily regarding symptoms of COVID-19 or any household contacts with COVID-19. Parents must send along the attestation form with their child each day. Parents who decline to complete the screening, will result in the child not being permitted to enter the program.

By signing the sheet, I attest to the following:

Today or in the past 24 hours, my child has **not** nor any household members have **not** had any of the following symptoms:

- Fever (temperature of 100.0°F or above), felt feverish, or had chills
- Cough
- Sore throat
- Difficulty breathing
- Gastrointestinal symptoms (diarrhea, nausea, vomiting)
- Fatigue
- Headache
- New loss of smell/taste
- New muscle aches
- Any other signs of illness.

In the past 14 days, my child has **not** had close contact with a person known to be infected with the novel coronavirus (COVID-19).

I have **not** given my child medicine to lower a fever.

Prior to coming school, a self-screen was done at home checking for the following symptoms: fever, cough, shortness of breath, gastrointestinal symptoms, new loss of taste/smell, muscle aches, or any other symptoms that feel like a cold.
