

Riverview School

Riverview School/Home Learning Partnership

Academics

- Students have been assigned an **Academic Case Manager** who will serve as a primary point of contact for the student and their family.
- Students will receive a weekly **Learning Menu** with **Learning Opportunities** in a variety of areas. Together with their families and teachers, they will select **Learning Opportunities** to complete over the course of the week. They should do as many as they are able.
- **Elective and Enrichment Activities** will be provided by Elective Teachers and Specialists and included in the weekly **Learning Menus**.
- The weekly **Learning Menu** and related materials will be delivered via **Google Classroom**, and a copy of the **Learning Menu** will be emailed to the families.
- All completed **Learning Opportunities** will be submitted to the student's **Academic Case Manager** via **Google Classroom**.
- Students will be offered up to three one-on-one or small group **Learning Sessions** per week with their **Academic Case Manager** to help select, plan for, and engage with their weekly **Learning Opportunities**. During these sessions, the **Academic Case Managers** will provide skill review, feedback, and assistance to the student to support the student in completing their **Learning Opportunities**.
- **Academic Case Managers** will check in with families weekly to get feedback on how the student and family are doing with the process, as well as providing support and troubleshooting any challenges that arise.
- Additional materials and ideas will be provided on the **Riverview School/Home Learning Partnership Resource Page** (Coming Soon!)

Residential

- Students have an assigned **Residential Case Manager** who will continue to serve as a primary point of contact for the student and their family.
- Residential Supervisors, Residential Instructors and Day Student Afters Staff will remain in contact with students and families. Weekly contact will occur individually and/or in group format to check-in and provide needed resources.
- Each dorm and day student group will facilitate a one hour long, weekly dorm/day group meeting on Tuesdays and Thursdays via video conference. These meetings will facilitate social connections, as well as focus on team building, instruction and activities.
- Instructional cards for chores and laundry, recipe cards, hygiene support and instructional materials related to daily living will be posted on **Riverview School/Home Learning Partnership Resource Page** (Coming Soon!). This includes select **Residential Challenge Curriculums**. Utilizing these resources will assist in maintaining skills and structure, while providing consistency throughout the week.
- Additional materials and ideas will be provided on the **Riverview School/Home Learning Partnership Resource Page** (Coming Soon!).

Clinical

- Each Advisor will hold weekly office hours where students and families can connect via video conferencing or phone calls. Office hours will be emailed directly to families and posted on the **Riverview School/Home Learning Partnership Resource Page** (Coming Soon!).
- Advisors will be reaching out to students on their caseloads weekly and providing individualized resources.
- Advisors are available to provide support and resources to families regarding mental health, self-care, setting up schedules, and establishing routines.
- Advisors will facilitate small groups and social opportunities each week. Individual advisors will reach out to schedule social opportunities with students. Topics may include stress management, lunch groups, meditation, mindfulness, self-esteem, and friendships.

Other

- **Riverview Unites**, a closed Facebook Group, has been established to provide students and families with the opportunity to engage with one another and with Riverview staff. These are just some of the many ideas we have for **Riverview Unites** and we welcome others!
 - Challenges: Students, families, and staff can share photos, videos, posts about their completion of these challenges.
 - Questions: Students, family and staff can answer questions designed to foster continued engagement with each other.
 - Special Events: Staff will host Facebook events and uploaded videos of staff guest readers, wellness activities, live social chats and other fun activities.
 - Connect with Friends: Students may share photos, videos, projects, writing assignments, etc. and comment on each other's posts.
- **Wellness Challenges** - Featured challenges designed to promote wellness in the areas of exercise, nutrition, and mindfulness.
- **Riverview School/Home Learning Partnership Resource Page** (Coming Soon!): A collection of materials, lessons, articles, and videos to help support families and students during the campus closure.
- **Riverview School/Home Learning Partnership Bulletin**: A newsletter designed to keep students, families, and staff informed about upcoming events, news, and resources.

Glossary

- **Academic Case Manager** - Teacher assigned to individual student; the Academic Case Manager provides support with learning, as well as facilitates communication between the student/family and the student's academic team.
- **Elective and Enrichment Activities** - Music, Drama, Art, Physical Education/Wellness, and other enrichment activities
- **Facetime** - A video conferencing app for IOS mobile devices
- **Google Classroom** - A web-based service that allows students and teachers to create, distribute, comment on, and review assignments in a virtual environment
- **Learning Sessions** - Virtual or phone-based meetings between students and their Academic Case Manager. During these meetings, the Academic Case Manager provides instruction and guidance to the student in a one-to-setting to support their completion of weekly Learning Opportunities.
- **Learning Menu** - A list of Learning Opportunities in a variety of subject areas from which a student can choose areas of interest to them.
- **Learning Opportunities** - Projects and assignments designed to reinforce academic, independent living, and vocational skills.
- **Residential Case Manager**- Residential Instructor assigned to the individual student; the Residential Case Manager provides support with daily living skills, as well as facilitates communication between the student/family and the student's team.
- **Residential Challenge Curriculums** - The MS/HS Residential curriculums taught by residential staff, focusing on select independent living skills. While used regularly in the MS/HS, these curriculums teach valuable skills beneficial to our GROW students as well.
- **Riverview School/Home Learning Partnership** - Riverview School's distance learning program. This program is designed to ensure continuity of learning and prevent regression of skills; maintain connectedness for students and families to Riverview and to each other; and help pave the path for a successful return to the school environment once school resumes.
